- 1 This is a re-check of all procedures leading to the issue of a result. It might be considered when anomalous results have been issued for one candidate, compared to the rest of the cohort. Candidates' grades and/or uniform mark score (UMS) can go up or down.
 2. **For OCR and CAIE examinations, if you wish to order a copy of the script in addition to a clerical check, use this service - you cannot request a script later. For all other boards you must request & pay for a script in addition.**
 3. A check that the examiners have marked components correctly. Changes to marks will only be made where there is an administrative or marking error but not where the original mark is reasonable, in line with Ofqual's review of marking guidance. IMPORTANT: Marks can go down as well as up – you could end up with a lower mark. **Please Note** – this service is not available for internally assessed and externally moderated coursework. Boards have 20 days from the date of submission to respond.

- 7, 8 & 9 Access to Scripts – where possible, the ATS service is available for all GCE & GCSE externally assessed components. Once despatched, or electronic copies in PDF format have been made available, they cannot be returned to with a request for a refund. Once an original script has been returned, its security is compromised, and it can no longer be subject to an enquiry or investigation.

PLEASE NOTE THAT ALL COSTS ARE PER PAPER/UNIT NOT PER SUBJECT.
