Entry to Rhetoric is confirmed once candidates achieve a minimum combination of five grade B unreformed GCSE grades or level 6 or above GCSE grades, including subjects they hope to study. Students wishing to study A level Mathematics require a grade 7 or above in GCSE Mathematics and a grade 8 or above to study Further Mathematics.

We invite all those interested in applying for Sixth Form at the College to come for a taster day. We arrange these days on an individual basis and tailor the day to enable the student to experience the subjects that they may wish to study at A Level.
