

# ART SCHOLARSHIP INFORMATION SHEET

## ELEMENTS APPLICATIONS FOR SEPTEMBER 2022

**Closing date for applications: midday Friday 3rd December 2021**

**Assessment day: Week commencing 10th January 2022**

Applicants will be assessed on the evidence they submit in each of the sections and failure to submit evidence for any section will reduce their final score.

### **Personal Portfolio**

Applicants must bring with them on the Assessment day a portfolio of their own art or design-work. It must include a selection of two-dimensional work in any media and photographs of any three-dimensional work they have made. We will be looking for evidence of skilful handling of the formal elements of the visual language and a wide engagement with creative visual expression. Please do not bring three-dimensional work as we cannot take responsibility for any breakage that may occur.

### **Artist Research**

Applicants must present some research on the artist David Hockney in an individual and exciting way and bring it with them on the Assessment day. It should include:

- Artist Information - tell us about the artist and his work
- Your personal views—what do you think about his work
- Analyse at least one of his pieces of work
- Create a pastiche (a copy of the artist's work) and explain why you have chosen the particular artwork

### **Drawing Test**

On the day of the assessment, students will be given a set of drawing tasks to complete. They will be given all the materials required on the day. We will be looking for evidence of skilful and imaginative handling of the formal elements in a variety of media, and the ability to observe and record visual information accurately and effectively.

Please report to Reception at 9:15am.

Collection from Reception will be at 12.30pm.

School uniform should be worn.
