

ST EDMUND'S COLLEGE

Summer 2020 Results and Appeals process

July 2020

Information for Centre

Results and Appeals

Centre assessment grades and rank orders

St Edmund's College:

- will not divulge provisional (centre assessment) grades, nor rank orders, with candidates or parents/carers before the issue of results
- understands that any inappropriate disclosure of centre assessment grades and rank order information before the issue of results will be investigated by awarding bodies as potential malpractice
- will provide centre assessed grades, if requested, after the issue of results to candidates. All requests must be made in writing by the candidate.

Final grades

St. Edmund's College will:

- issue results in accordance with the *Information Regarding Results Day* letter sent on 26th June 2020
- signpost candidates (and parents/carers) to information provided by key stakeholders at the time final grades are issued to support their understanding of the grades awarded

Arrangements for results day(s)

St. Edmund's College will:

- organise results day(s) and inform candidates of the arrangements in place for access to their results
- ensure senior members of centre staff are available/accessible to candidates with whom a result/results may be discussed
- prepare information for candidates showing their options if they have concerns about their results
- signpost candidates to relevant Ofqual and/or awarding body information that sets out how their grades were calculated this year and the options available if they believe their result was not properly produced, including access to appeal

Arrangements for appeals

St. Edmund's College will:

- follow information provided by awarding bodies to determine the grounds on which an appeal can be made on behalf of a candidate, or candidates.

NB For Cambridge Assessment International Education (CAIE) appeals can only be made for all candidates entered for a particular syllabus. CAIE will not review grades for individual students.

- make candidates aware of the arrangements in place for appeals prior to the issue of results by publishing that information on the VLE.
- provide candidates with a statement of the arrangements promptly when requested
- seek any information the awarding body holds in relation to how final grades were calculated if there is a concern about any results
- submit an appeal to the awarding body on behalf of a candidate or candidates where it is believed:

- the centre itself made an error when submitting centre assessment grade or rank order information to the awarding body and has supporting evidence that confirms an error was made (and will submit its supporting evidence at the earliest stage and explain why data which the Head of Centre declared to be accurate is now considered incorrect)
- the awarding body made a mistake in the operation of the standardisation model where the wrong data was used to calculate results
- the awarding body made an administrative error in the issuing of results
- collect consent from a candidate before any appeal is submitted to the awarding body.

NB For Cambridge Assessment International Education (CAIE) consent must be obtained from all candidates entered for a particular syllabus because an appeal can result in the lowering of grades.

Internal appeals procedure

St. Edmund's College will provide a process for a candidate to appeal against any decision the centre may make:

- not to seek from the awarding body any information the awarding body holds that would be needed for an appeal; and/or
- not to appeal to the awarding body

How centre assessment grades and rank orders were determined

To respond to any queries from a candidate (or their parent/carer) St. Edmund's College will provide records detailing:

- the process deployed for each subject in calculating centre assessment grades of all candidates within each grade (or within the cohort where this was required by a particular qualification type)

Centre assessment grades and rank orders

St. Edmund's College has submitted provisional centre assessment grade(s) and rank order(s) to the relevant awarding body in accordance with the Ofqual guidance¹ on *Awarding qualifications in summer 2020* and in line with the awarding body instructions.

¹ <https://www.gov.uk/government/publications/awarding-qualifications-in-summer-2020>

For the reason of fairness, awarding bodies are putting these grades through a standardisation process to ensure grading standards are consistent across all centres. The rank order of candidates will not be changed but the final grades candidates receive may be different to the centre assessment grade.

Final grades

On candidate statements of results (results slips) and certificates, final grades will be reported in the same way as in previous years.

Final grades will be issued on results day(s) in August as follows:

Date	Qualification type
11/08/2020	Cambridge International IGCSE & International AS & A Level
13/08/2020	GCE (AS, A Levels)
20/08/2020	GCSE

Arrangements for results day(s)

Results will be available from 8.00am on the Student & Parent Portal only – please do not come into College. The Headmaster, members of the Senior Leadership Team, the Co-Directors of Rhetoric and Heads of House will be available to discuss any queries or concerns you may have. Heads of House liaise closely with pupils, parents and staff. Heads of Department will also be available where there are subject queries requiring their input. Heads of Department will be available from 09.00 – 12.00 midday, either in person or by zoom.

Concerns about your results

At results time, Ofqual will be providing information for students that sets out how their grades were calculated this year and the options available if they believe their result was not properly produced, including access to appeal. The *National Careers Service Exam Results Helpline*² offers advice each year for students who have not received the results they had hoped for. Ofqual will also make a helpline available to students and their parents or carers to talk about the appeals process and any other questions they may have about their results this summer.

² <https://www.gov.uk/careers-helpline-for-teenagers>

Awarding bodies will also likely provide information for students about results. St. Edmund's College will signpost you to any relevant information at results time.

If you have a concern about a grade you have been awarded, you can ask the Senior Deputy Head – Academic to:

- check whether an error was made when submitting your centre assessment grade to the awarding body
- raise a complaint with the Headmaster (Head of Centre), if you feel you have evidence of bias or that you were discriminated against; you could also pass such evidence on to the awarding body who could investigate for potential malpractice
- seek any information the awarding body holds in relation to how your final grade was calculated
- provide information about the opportunity to take an examination in the autumn series or in summer 2021

Arrangements for appeals

The arrangements for awarding qualifications in summer 2020 state:

Candidates can appeal their grades through their centre if they feel the process this summer was not followed correctly in their case.

NB For Cambridge Assessment International Education (CAIE) appeals can only be made for all candidates entered for a particular syllabus. CAIE will not review grades for individual students.

A candidate can:

- ask their centre to appeal on their behalf to an awarding body if there is evidence that leads a candidate to believe:
 - the centre made an error when submitting a centre assessment grade or rank order information
 - an awarding body made a mistake when calculating, assigning or communicating a grade
- appeal against the centre's decision
 - not to seek any information the awarding body holds that would be needed for an appeal; and/or
 - not to appeal to the awarding body

A candidate cannot:

- appeal against their centre assessment grades
- appeal in respect of the process or procedure used by St. Edmund's College in calculating your centre assessment grades
- appeal directly in any respect to the awarding body (unless a private candidate)

Certificates

Certificates, when received from the awarding body, will be issued to candidates either in person from the Examinations Office or, for students who have left the College, by post to a UK address only – If you require the documents to be couriered overseas please contact the Examinations Officer for further information.

Internal appeals procedure

St. Edmund's College will:

- inform candidates of the arrangements for appeals prior to the issue of results and the accessibility of senior members of centre staff immediately after the publication of results by issuing this *Information for candidates – Results, Appeals and Certificates* document
- appeal to an awarding body on a candidate's behalf if it believes the centre itself made an error when submitting a centre assessment grade or rank order information or if it believes an awarding body made a mistake when calculating, assigning or communicating a grade
- ask the candidate to provide written informed consent (informed consent via candidate email is acceptable) before an appeal is submitted to the awarding body as the appeal could result in the final grade being lower than, higher than, or the same as the grade which was originally awarded
- only collect consent after the publication of results.
- where relevant, advise an affected candidate to inform any third party (such as a university or college) that an appeal has been submitted to an awarding body

St. Edmund's College will not:

- seek any information the awarding body holds that would be needed for an appeal if it does not believe an awarding body made a mistake when calculating, assigning or communicating a grade
- appeal to an awarding body on a candidate's behalf if it does not believe the centre itself made an error when submitting a centre assessment grade or rank order information or if it does not believe an awarding body made a mistake when calculating, assigning or communicating a grade

An internal appeal can be submitted to the centre where a candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision:

- not to seek any information the awarding body holds that would be needed for an appeal and/or
- not to appeal to the awarding body

An appeal should be submitted by

- by completing and submitting an **internal appeals form** by Tuesday 8th September, 2020.
- the appellant will be informed of the outcome of the appeal within five working days of submission.
- if the internal appeal is upheld by the centre, resulting in an appeal on the candidate's behalf being submitted to the awarding body:
- awarding body fees which may be charged for an appeal must be paid to the centre by the appellant before the appeal is submitted to the awarding body (fees are available from the Examinations Officer)
- if the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.
