

## ST EDMUND'S COLLEGE

### St Edmund's College 2014 A level and GCSE Results

St Edmund's has never been in better shape; great academic results and a wealth of excitement and activity in and outside the classroom. In 2014 St Edmund's College over 62% of our students achieved A\* - B grades and 32% A\* to A in their A levels in a year that has seen a national dip. Students have balanced their academic demands of A levels with the many other opportunities that the College offers them through Duke of Edinburgh, Combined Cadet Forces, sport and much more which ensures that each individual fulfils his or her own personal potential. The staff have worked hard to ensure that this cohort can go on to the next stage in their lives prepared for the many opportunities and challenges that will await them.

GCSE and iGCSE results were also strong with almost 70% of the entire cohort achieving A\*-B grades and over a fifth of our students achieved at least eight A\*/A grades.
